Subject: (b)(6) privacy [conference call code] Conference call December 13, 2012 4-5 pm ET, (3-4 pm CT and 2-3 pm MT) -- Schedule Follow-up Discussions on EPA and USGS Powerpoints

Everyone, There was a late change to the Doodle poll from a few folks and it now looks like 4-5 pm ET today works better for most. The topic today will be EPA comments/questions on the USGS PPT presentation.

Tomorrow's call is scheduled at 2-3 pm ET (Noon MT and 1 pm CT). The topic tomorrow will be the USGS comments/questions on the revised EPA presentation.

USGS is working on our set of anticipated questions and draft answers and we hope we can exchange these documents on Monday and hold a call if needed. We can decide that tomorrow.

I will send the USGS PPT shortly and information on a Webinar that you can use your browser to access . That way we can view the presentations together.

Everyone, If at all possible, please complete the Doodle poll in the next 45 minutes so we have this information for a meeting this afternoon, per Jose.

I have to leave at 2 pm ET (an hour from now) so I am hoping to have a good idea by then who is and is not available for more calls this week .
